**UNITED STATES DISTRICT COURT  
DISTRICT OF NEVADA**

NEWSTAR CHEMICALS (M) SDN  
BHD., a Malaysian private limited  
company, NEWSTAR HOLDINGS PTE  
LTD., a Singaporean private limited  
company, and RANDALL HART,

Plaintiffs,

v.

MEGOLA, INC., a Nevada Corporation,  
and DOES 1 through 500,

Defendants.

Case No. 2:11-CV-926-GMN-(RJJ)

**(PROPOSED) ORDER GRANTING  
PRELIMINARY INJUNCTION**

THIS MATTER having been presented to the Court upon Plaintiffs' application by order to show cause for a preliminary injunction, supported by declarations of Plaintiff Randall Hart and Maxim H. Waldbaum, Esq., and an accompanying Motion; and Defendant Megola, Inc. ("Megola") having been served with Plaintiffs' moving papers; and the Court having determined that Plaintiffs have made a sufficient showing of a likelihood of success on their assertions that Megola lacks manufacturing, distribution or trademark rights with respect to Plaintiffs' Hartindo AF21 ("AF21") product, and that Plaintiffs will likely suffer irreparable harm in the absence of an injunction; it is hereby

**ORDERED** that, during the pendency of this action, Megola is enjoined from: (1) using to the "Anti-Fire 21" or "AF21" marks in connection with the sale or marketing of Megola's products; and (2) asserting – in communications with Plaintiffs' customers, through press releases, or through any other means – that Megola is authorized to manufacture or distribute AF21; and it is further

**ORDERED** that Plaintiffs are not required to post a bond or other security; and it is further

**ORDERED** that a copy of this Order shall be served on Megola within five (5) days of the entry of the Order.
